Small classes

**THE SCHOOL**

The English Language Centre was started in Westbourne in 1954 and is recognized by the British Government. The school is a beautiful old house in its own large gardens. It is a short walk from the town centre and the sea. The Centre has its own tennis courts, language laboratory and library. There are also video and computer facilities. Classes are small—usually about ten students per teacher.

**ACCOMMODATION**

There are three sorts of accommodation:

- You can stay with an English family in their home.
- You can share a room in the school itself. The school has 50 double rooms.
- You can stay in a hotel. We can arrange this.

**SPORTS**

There are facilities for tennis, table tennis, volleyball, horse-riding and sailing.

**EXCURSIONS**

Excursions are made every afternoon (and sometimes for whole days) to London and other interesting places in the region.
